

The Chesterfield Moving Guide: Making Your House a Home

So you've fallen in love with a house, exchanged the contracts and got the keys to your new property in Chesterfield.

Or perhaps you haven't yet taken the plunge and you're still viewing the market in Chesterfield, trying to make that decision. Either way, moving to a new place can be hectic and stressful, so we've compiled this guide to help you make your new house a home in no time.

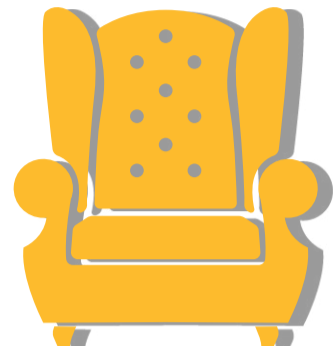

The Cool Wood Company

Fancy some contemporary wooden furniture for your new home? We have the perfect place. The Cool Wood Company create beautiful, handmade pieces of chunky wooden furniture. They make everything you need, chairs, tables, beds, wardrobes – as well as individual bespoke pieces to fit the different nooks and crannies in your new home.

With good prices, quality furniture and free samples available, The Cool Wood Company is the place to be for all things wood.

Chesterfield Antiques Centre

If you need some unique pieces to make your new house a home, then take a look around the Chesterfield Antiques Centre. With a wide range of items, they have something for all tastes. Once you've finished rummaging, stop for a cake and coffee in Grey's Café. Homemade cakes with barista coffee – the perfect pit stop.

Chesterfield Artisan Market

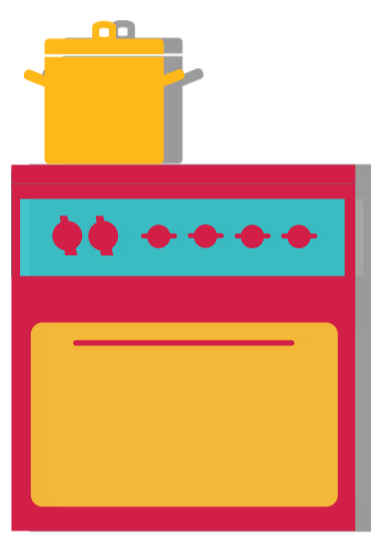

Chesterfield Artisan Market is most certainly one of the highlights on the town's calendar; a chance to browse the stalls of talented local traders, vintage dealers and designer makers. You will definitely find a few individual pieces for your new home.

The Market takes place on the last Sunday of every month adjacent to the historic Market Place. Make sure you don't eat before you go, there is an amazing selection of hot authentic street food available.

Kitchen Craft

For over 30 years, Kitchen Craft have been providing the Chesterfield area with amazing kitchens. They take you through the process of fully designing your kitchen to your own personal requirements. Enjoy browsing the beautiful designs on their website or go down to their newly extended showroom for inspiration.

Whether you are looking for a modern or traditional style, Kitchen Craft can design it just for you. You want your sink near the window? Just tell them!

Absolute Landscape Designs

Does the garden at your new home need a bit of love? Or maybe a full overhaul? Absolute Landscapes are a local gardening company that can do everything you need. From decking to water features, they can work with you to create the ideal outdoor space for you and your family to enjoy.

Plus, if you're not that keen on mowing the lawn every week or trimming the hedges, you can pay Absolute Landscapes to maintain your garden too!

DFW Curtains & Fabric Specialists

So you've got your new living room all decorated, you just need to find the perfect curtains to match. But you're struggling to picture the designs you've seen online up in your new room. DFW can solve all of your problems in one. They come to your house and allow you to choose the perfect fabric from the comfort of your new sofa.

They even measure your window space to make sure the curtains are just perfect, for free!

Eyres of Chesterfield Furniture

Eyres are renowned for their beautiful furniture and lighting selection and they have something for everyone. Need a comfy new bed? Check. Need a dining room table and chairs? Check. Need a new light for the living room? Check.

Eyres also have carpets available, with a good price promise. As well as a free measuring and fitting service, perfect to save a few pounds.

Love Brewing

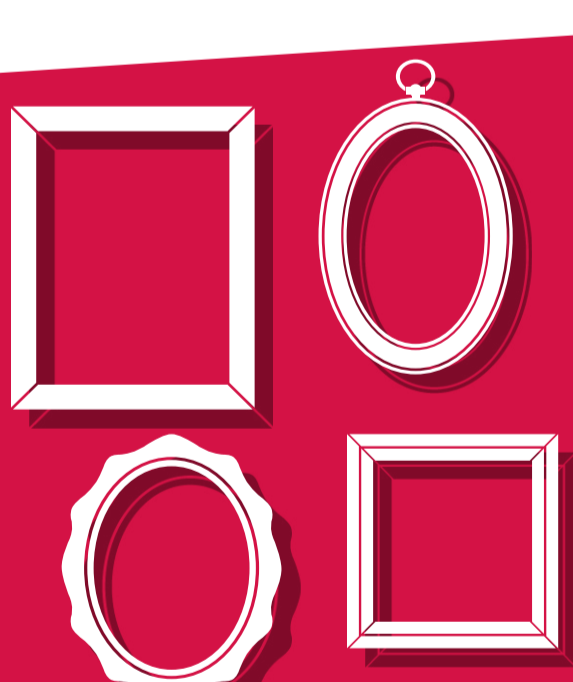

Now this one is a little different. Once you're all set up in your new home, you might find time to start a new hobby. Why not try home brewing? Love Brewing offer everything you need to get your own brewing system set up in your new home.

If you go to their website they have beginner's guides, video tutorials, a questions & answer section and even a forum for you to chat to fellow brewers.

Brampton Framing

Brampton Framing are literally framing experts. Whether you have a picture, an old football shirt, a floor size piece of embroidery, a mirror or even a 3D object Brampton Framing can do it all. There are 50 different ready-made styles to choose.

However, if you can't find the right one to match your new décor, they can create a handmade individual frame from 900 different combinations of colours and finishes. And if you can't find one from all of them, you should probably give up.

Floor Depot

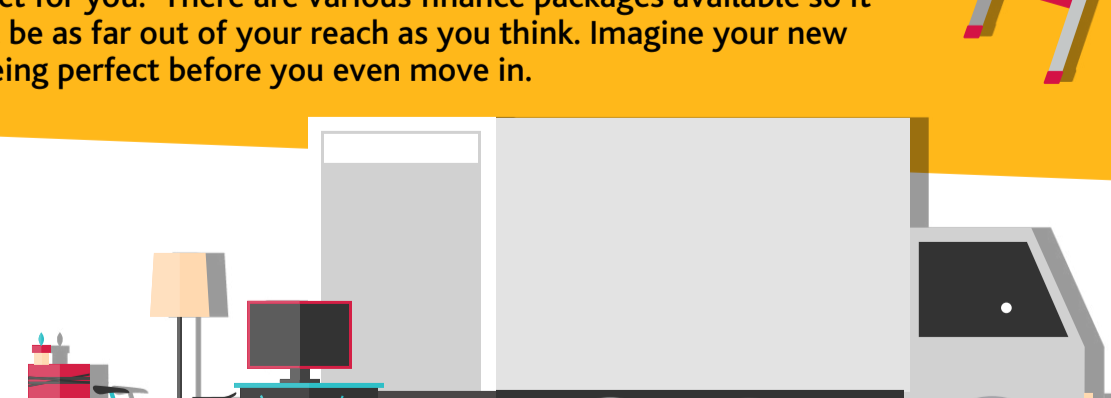

In your new home needs new floors, look no further. The Floor Depot in Chesterfield is a family run business that has a passion for finding you the perfect flooring. They have all sorts of flooring available, as the name would suggest, including carpet to laminate to Karndean, with all prices itemised and no hidden costs.

If you are thinking of giving the whole house a revamp, Floor Depot offer a multi room discount. Pop down to their store and get a real feel for your flooring.

PK House

PK House offers something a little different to other kitchens and bathrooms showrooms. They do have a vast range of kitchens and bathrooms available, but that's not the difference. The difference is that they offer a full home improvement service. They work with you to understand what you would like your home to be like, then go away and take care of everything!

If you're a busy family and don't have time to do everything, this could be perfect for you. There are various finance packages available so it may not be as far out of your reach as you think. Imagine your new home being perfect before you even move in.
